We would like to thank Mr. Jeff Graham for his generosity supporting our golf course grounds crew with the cleanup work located on the left sides of holes 6, 7, & 13. Once this area is cleaned up, Mr. Graham will excavate the start of a small pond and stockpile the soil for future golf course projects. As we need future soil, the pond will continue to grow. Stay tuned for more updates.

Quote for the Month: "You can spend hours learning how to drive, weeks to approach, and months to putt. But if you want to win at golf, you must know how to count."
