The net winning team was Jason and Wade Martin with a cool score of 64. Congratulations! A close second was the team of Michael and Charlie Maffett. David Davis and John Mark Butler finished third followed by brothers Jay and John Brantley. Nearly forty golfers made for another successful DCC event!

Junior News

Congratulations to Braceton Beasley for 7th place finish at the Doral Junior Classic in Miami. His rounds of 72,75 and 76 on a very difficult course against an extremely competitive field of 90 is very respectable. Way to go BB!

Many thanks to all the loyal members – and others – that shopped and made Christmas purchases from the new inventory in the Golf Shop. There are a few items left, and there are lots of birthdays and Fathers' Day coming up in 2025.

Remember, the Golf Shop opens at 8:30am during the week and closes at 5:30pm. Weekend hours are 8:00am-5:30pm. Cart attendants are available every day from 3:00pm-6:30pm. Also, please remember that all golfers, both young and old, must check in at the Golf Shop each time he or she plays.

Please continue to work hard to help with ball marks and divots. I know that the ball marks are quite difficult to find this time of year. Thanks for all the help and see you out on the course.

Congratulations John Wavrick!

From the Clubhouse

Hello 2025!

January is here and the Clubhouse and Kitchen has reopened so visit the club to see what's new for the New Year!

Keep an eye out for our NEW MENU! We are working hard to finalize the details and we are looking forward to sharing it with you very soon!

SERVICE CHARGE VS. GRATUITY

One of the most frequently asked questions by members is, "What is the difference between service charge and gratuity?"

A service charge of 18% is added to your normal food and beverage transactions. Of that total, 13% goes to the club to offset our higher hourly payroll cost and 5% goes into a pool for the entire serving staff. Each week that pool is distributed to the servers who worked based on their hours worked. On average, it gives our servers \$1 to \$2 more per hour worked. So when you see the "service charge" line on your bill, please know the amount shown does not go directly to your server.

If you choose to add gratuity to your bill, 100% of that goes directly to your server. Gratuities are not expected, but are much appreciated!

We hope this helps!
